

Проект 3 этап

НММ-6д-02-22

Крухмалев Артём Владиславович

Содержание

| | | |
|---|--------------------|---|
| 1 | Цель работы | 3 |
| 2 | Задание | 4 |
| 3 | Выполнение проекта | 5 |
| 4 | Выводы | 9 |

1 Цель работы

Доработать сайт

2 Задание

Добавить краткую информацию о себе.

3 Выполнение проекта

1. Добавим информацию о себе

```

sections:
- block: about.avatar
  id: about
  content:
    # Choose a user profile to display (a folder name within `content/authors/`)
    username: admin
    # Override your bio text from `authors/admin/_index.md`?
    text:
- block: features
  content:
    title: Skills
    items:
      - name: C++
        description: 65%
        icon: code
        icon_pack: fas
      - name: Data science
        description: 100%
        icon: chart-line
        icon_pack: fas
      - name: Photography
        description: 40%
        icon: camera-retro
        icon_pack: fas
- block: experience
  content:
    title: Experience
    # Date format for experience
    # Refer to https://wowchemy.com/docs/customization/#date-format
    date_format: Jan 2006
    # Experiences.
    # Add/remove as many `experience` items below as you like.
    # Required fields are `title`, `company`, and `date_start`.
    # Leave `date_end` empty if it's your current employer.
    # Begin multi-line descriptions with YAML's `|2-` multi-line prefix.
    items:
      - title: MSU
        company: MSU
        company_url: ''
        company_logo: org-gc
        location: Moscow
        date_start: '2021-01-09'
        date_end: '2022-05-01'
        description: |2-
          Responsibilities include:

          * Physics
          * Math
          * Programming
      - title: Bachelor of Math and physics
        company: RUDN
        company_url: ''
        company_logo: org-x
        location: Moscow
        date_start: '2022-01-08'
        date_end: ''
        description:
